Do you want to be part of a dynamic school within a wider partnership with a clear direction, which centres on providing the best opportunities for staff and children?

The Flying High Trust and our primary schools pride ourselves on employing the very best staff with the pride, passion, commitment and creativity to provide outstanding opportunities and experiences for our children. We then support all staff to achieve their full potential and shape their career whatever stage you are at.

We would like to invite you to attend a high profile recruitment event taking place on Tuesday 31 January 2017, 5:30-7:30pm at Cotgrave Candleby Lane School.

The evening will be an opportunity for you to hear about the opportunities and support the Trust can provide to enable you to fulfil your career aspirations. The evening is a chance to meet with our schools to find out more regarding current vacancies and future opportunities.

We work in collaboration to enable each school to continually improve and to become the best schools in the universe. Our vision is based on:

- Children first—at the heart of everything we do
- Understanding and engaging with our communities
- A primary focused Trust which places children at the centre of all that we do, with aspiration for all children, staff and communities
- Development of the whole child
- Collaboration for continuous improvement

To be the best we need to employ the best and this is reflected in the way we value and develop all roles and individuals within our schools:

- A comprehensive CPD offer that starts from teacher training all the way through to becoming Headteachers and system leaders
- Working within a supportive partnership within and beyond your school driven by a moral purpose underpinned by our core ethos and values
- Working within a developmental, not judgemental, school and partnership
- Talent management: supporting you to achieve your goals through bespoke training—and the opportunity to progress your career across a partnership of schools
- Engagement with Trust networks to share best practice and learn from others
- A competitive salary and employee benefits
- Recognition and rewards: celebrating the achievements of all
- An organisation committed to supporting and enabling the wellbeing of all staff
- Working in true partnership where all staff can contribute to the development of their school and the wider partnership of schools
